

Inspiring growth and improvement

ISO 31000 Foundation

Accredited by PECB

Become acquainted with the best practices of
Risk Management based on ISO 31000

www.businessbeam.com

Introduction

This two-day course enables participants to learn the basic elements to implement a Risk Management process and framework. During this training course, you will be able to understand the fundamental Risk Management strategies. After completing this course, you can take the exam and apply for a “PECB Certified ISO 31000 Foundation” credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, guidelines and management approach.

Learning Objectives

- › Understand the fundamental concepts of Risk Management
- › Comprehend the basic processes of Risk Management
- › Understand the approaches, methods and techniques for managing risk

Contents

- › **Day 1: Introduction to Risk Management concepts as specified in ISO 31000**
- › **Day 2: Risk Management processes and Certification Exam**

Recommended Participants

- Individuals involved in Risk Management
- Individuals seeking to gain knowledge about the main processes of Risk Management
- Individuals interested to pursue a career in Risk Management

Prerequisites

None

Course Format

This training is based on both theory and practice:

- Sessions of lectures illustrated with examples based on real cases
- Practical exercises based on a full case study including role playing and oral presentations
- Review exercises to assist the exam preparation
- Practice test similar to the certification exam.

Duration

2 days, including certification examination on the last day.

Materials Provided

- Course reference manual containing copy of course slides, support documents, quizzes and answers
- Course Certificate
- Exam certificate on passing the ISO 31000 Foundation examination

CPDs Assigned

This course qualifies for fourteen (14) CPDs.

Certification Exam

1-hour certification exam is scheduled on the last day of the course. The exam is paper-pen based.
